Hi Claudia,

I thought that might be the case. Sounds good, thanks!

Dee,

We should be able to excerpt a CO/WY-specific table from the table we already have going from the O&NG FIP that Stuart has been updating as necessary for the U&O FIP. We are meeting later today.

Thanks,

Claudia

Hi there,

Carl is asking for a table summary (similar to what is in the CTG summary) of Wyoming's (recent) and Colorado's (Reg 7) existing source rules for oil and gas. He is looking to use it for the stakeholder meeting next week. Could the two of you please work on pulling that together?

Thanks,

Dec
